Fantastic Child-Friendly Facilities

A Playground & Gym Like No Others!

The Danny Cunniff Memorial Playground is a magical outdoor environment divided into “miniparks” designed for each age group. It features circus tents and shady picnic spots, an amphitheater, water and sand play, wading pools, sprinklers, climbing equipment, riding paths, and gardens—a world of adventure for all! On rainy days, our air conditioned Irwin Gordon Gymnasium provides a wonderful environment for children to develop their gross motor skills.

Fully-Equipped Classrooms

Preschoolers benefit from year-round opportunities to enhance their cognitive, social, fine-motor, gross-motor, and language skills through self-directed and teacher-initiated play in the classroom’s learning centers.

Safety First

The security of the children is our top priority. Our receptionist mans the front door and all entrances are buzzer-only, locked and monitored by closed-circuit cameras. Staff is trained in first aid and CPR.

We are a **NUT-FREE and allergy-sensitive FACILITY!**

Our Lillian L. Lutz Recreation Center Features

- Splash Pad
- Pool with two shallow ends
- Pool slide
- Sports courts
- Tennis courts
- Picnic areas

Our older campers love riding the school bus with seat belts to the pool! Rebuilt in 2010, our child-friendly pool features a splash pad, t-shaped pool, water slide, new deck, picnic areas and more.

At Sunflower, there's a Camp Program Just Right For Your Child!

With our early childhood expertise we've designed programs to meet the needs of each age group. Sunflower "grows" with our campers. Your child can return year after year and enjoy enriching, ongoing friendships and new experiences. Then on to the fun at our JCYS North Shore Day Camp and JCYS NSDC Sports for K-8th graders.

PARENT-TOT CAMPS IN THE LILY PAD

Enjoy a loosely structured summer playtime with other parents and tots. Splash in the wading pools, dig in the sand, and share in songs and art activities. Enjoy our brand-new "toddler heaven"—the Lily Pad! Your child benefits from an early, comfortable introduction to camp, school and socialization and you can make new friends!
