

Lutz Have Fun!

Enrollment Guidelines for Enrichment Classes Session II—Spring 2010

Attached are the enrichment classes that will be offered for the next session. Please note that each class has a minimum and maximum number of students. JCYS reserves the right to cancel classes based on low enrollment. In addition, a lottery will be used to determine enrollment in classes when registration exceeds the maximum. Enrichment class lists will be posted. Those students who did not get into a class will be contacted and they will receive priority registration for the next session.

PLEASE NOTE: Enrichment is **NOT** appropriate for every preschooler! Many children thrive on new experiences. However for some, walking into a new class with a new set of children and teachers on top of their preschool experience is more than they can handle.

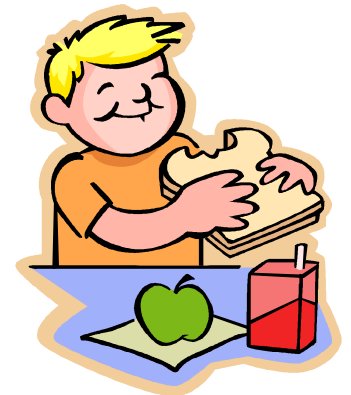

If you or we find the experience not appropriate for your child, JCYS will be happy to refund the money. These children can register in the spring session.

If you have any questions about your child's readiness, please feel free to call Amy Shimoni, child and family development specialist at 847-433-6001 x108 or email her at ashimoni@jcys.org.

We also reserve the right to cancel classes and refund tuition due to low enrollment.
